Enjoys Wide Sale Amongst Edu-cated Wealthy Set.

The physician who originated the Anti-Fat treatment known to physicians and druggists as "five-grain tab-lets Arbolone" is being praised and thanked by scores of women in the class known as "society devotees."

A literary woman in Los Angeles being so highly elated over her suc cess in reducing, has written a clear little poem, which recites the facts and expresses deep gratitude as well. To safely and surely reduce from 20 to 60 pounds is easily accomplished when tablets Arbolone are used regularly. ularly. They are not drastic or dan gerous, used as directed, but simply and surely dissolve the fatty element and eliminate from the system. Also they remove the craving for such foods as are not desirable for fat folk: to use. Herein, Arbolone is superior to all other anti-fat medicines, as i automatically overcomes the abnor-mal perverted appointe for starchy foods, etc. Sold by all druggists in scaled tubes with full directions.
